

TIPS FOR FIREARM SAFETY IN YOUR HOME

Join us for a Gun Safety Talk

When: March 21, 2020 at 1:00pm

Where: Rice Medical Center Conference Room

If you own a firearm, then this information is for you. Every year there are more injuries due to improper firearm handling and storage than we care to count. Come out and make sure you are safely protecting you and your loved ones.

There will also be tips for children so bring them with you.
